SPEAKERS

Andreas (Andi) Vossberg
Senior Underwriter, Munich Re

Andi has more than 30 years of experience in the Insurance and Reinsurance Industry at Munich Re. As a Senior Property Treaty Underwriter, he has covered many European countries including Greece and Cyprus. He is often invited as a speaker or panelist on various international conferences on reinsurance related topics and natural catastrophes.

Harald Ochsenkühn
Senior Legal Counsel, Munich Re

Harald is a longstanding insurance professional and has been with Munich Re for more than 10 years. He has degrees in Civil Engineering and Law and relevant experience within the construction industry. He has been dealing with large claims in property in the Eastern Mediterranean region including Greece and Cyprus.

Ioannis Theodosiou
Managing Director, E.N.MANOS (CYPRUS) LTD

Ioannis has a degree in Fire Engineering and a Masters in Maritime Operations. During his career he handled the most significant non-life, non-motor insurance claims in Cyprus with the biggest being the explosion at the Vasilikos Power Station in July 2011. He has been involved in claims and surveys in the Gulf, North Africa, Romania, Russia and Greece.
